

HOW TO GET THERE

Coming from Quito

You follow the highway that goes to the airport ("La Ruta Viva"), and leave the highway at the exit "Tola". Immediately you go left ("Interoceánica Norte"). At the traffic lights turn right and follow this road 1 mile up to the market square El Arenal. Just behind the market you make a U-turn (where the road reduces from 6 to 2 lanes). Then you enter the first street on your right hand: Calle Rio Paute.

You follow this street during 500 meters (550 yards). You will see on your right side a wooden gate - here is El Rinconcito.

Coming from the airport

Take the old road that goes to Quito (it is called "La Interoceanica"). You pass the old and narrow bridge of El Chiche and you take then the second street on your right hand. It is called Calle Rio Paute. You follow this street during 600 yards. You will see on your right side a wooden gate - here is El Rinconcito.
